DR. C. R. FOSTER

A GREETING TO FRESHMEN

As President, I take great pleasure in welcoming you in the name of the College, its faculty and student organizations. It will not be my privilege to know you in the classrooms, but I hope that I will have the opportunity to meet you upon many occasions through student organizations and in other ways. I want you to know that I am deeply interested in your success as a college student and hope you will always feel free to call to see me, if you think I can be of any service to you. This handbook will give you much interesting and valuable information concerning the activities and organizations of the College, which supplements its more formal program of studies by courses and subjects. We have many activities on the campus. You are required to participate in some of these activities. I hope you will select your activity program with a lot of care, and take this opportunity of warning you against undertaking too heavy a program in this respect. Remember that this is a professional school and that your fitness for complete entrance into the profession will be determined to a large extent by the habits you form and the attitudes you develop during your first year here at the College. We hope that the College will do its part, and that you will do your part so that you may live an abundant life while you are here.

C. R. Foster, President

TO THE WOMEN

"See first that the design is wise and just; that ascertained, pursue it resolutely."

The State Teachers College at Indiana, Pennsylvania, for more than half a century has sent women from its halls, women of sterling qualities, refinement and culture, to hold positions of honor and trust in their respective fields of service.

Yours is the opportunity to join this professional group; by honest, earnest endeavor to develop a personality that stands for individuality, reliability, and inspiration.

May you have many happy, challenging experiences in this, your pursuit. Indiana cordially welcomes you. Hope Stewart, Dean of Women.

GREETINGS

I wish to extend greetings to the men and especially to the freshmen men of the Indiana State Teachers College. You are welcome to the campus, to a share in its pleasures and to the great opportunity it affords you for intellectual training and self-development. College represents opportunity. Getting and giving an education is a cooperative affair.

Indiana wants to help you realize every worthy ambition and it will gladly do its full share toward that end. W. M. Whitmyre, Dean of Men.

HISTORY OF THE SCHOOL

With the tradition of the more than fifty years of its existence behind it, Indiana now ranks in age and size with the first of Pennsylvania's Teachers Colleges.

In May, 1875, when the school was formally opened, under the direction of Dr .E. B. Fairfield, the physical property of the school consisted solely of John Sutton Hall. During the succeeding quarter century, Clark Hall, a dormitory for men, and Wilson Hall, a teacher training center, were built.

While Indiana was still a normal school, Leonard Hall, a class room and laboratory building, and a modern power plant were built, and alterations were made in Sutton Hall.

Indiana became a State Teachers College in the Spring of 1927, with the power to grant degrees in five different fields.

An increased enrollment and a steadily broadening curriculum made a new gymnasium and new Arts Building necessary.

The Gymnasium has made possible a better physical training and a wider range of physical activities for the students of Indiana. The equipment of the Arts Building, housing the Departments of Commerce, Art, and Home Economics, has helped these departments to establish themselves as leaders in their lines of education.

In the last few years other improvements have been made in the school plant; new and well-equipped

science laboratories have been built in Leonard Hall; an annex has been built onto the West Parlor; the College green house has been enlarged; more tennis courts have been built on East Campus. The College Lodge, situated on a college-owned farm just outside of the city, is a gathering place for students and faculty members at all seasons of the year.

Indiana's academic and physical growth carries with it the fine traditions of its outstanding leaders and advisers—Jane Leonard, Silas Clark, A. W. Wilson and others. The interest of Thomas Sutton, President of the Board of Trustees, and of the past and present presidents of the college, has kept alive and fostered this tradition.

Indiana has available three funds for student aid: the College Club fund, the Student Loan Fund, and the Y. W. C. A. Scholarship. The Y. W. C. A. scholarship, of fifty dollars is given to a student in the two year curriculum in her fourth semester. Scholarship, Leadership, and active work in the Y. W. C. A. are some of the requirements.

LECTURES

The College each year maintains a lecture course under the guidance of a Lecture and Entertainment Committee composed of students and faculty members. During the last few years the students of Indiana have heard such celebrities as Congresswoman Ruth Bryan Owens, Princess Der Ling, Arthur Pillsbury, Edward Howard Griggs, Dr. Samuel Williams, Hamlin Garland, the Boston Sinfonietta, The Vienna Boys' Choir, Rabbi Stephen Wise, and Lew Sarrett.

The committee plans to have another great program for the ensuing school year and have already secured several lecturers of note.

The Teachers College Bulletin is published four times a year. It is issued twice as a college catalogue and twice as an educational bulletin.

EXPLANATION OF GRADES

"A" indicates an excellent grade of work.

"B" indicates a good grade of work.

"C" indicates a satisfactory grade of work.

"D" indicates a low grade of passing work.

"F" indicates a failure and no credit shall be given for the course so marked until it has been repeated in the regular way.

"I" is given to students who because of absence or other entirely satisfactory reasons have been unable to complete the required work, but have been doing in general a satisfactory type of work. This mark must be removed within one month of regular school time or become a failure. Upon completing the required amount of work the student

may receive any mark to which the teacher feels he is entitled.

A system of quality points has been established as follows:

1. There are required for graduation a number of quality points equal to the number of semester hours credit required in the course being pursued.

2. A grade of "A" gives three quality points for each semester hour of credit so marked; a grade of "B" gives two quality points for each semester hour of credit so marked; a grade of "C" gives one quality point for each semester hour of credit so marked; and a grade of "D" gives no quality point.

ORGANIZATIONS and ACTIVITIES

All School Organizations

Y. W. C. A.

"Not by might, nor by power, but by spirit," is one of the national Y. W. C. A.'s mottoes, and one of Indiana's combined with all that is best in friendships and cooperation.

The Y. W. C. A. at Indiana State Teachers College was first organized May 22, 1897, under the influence of Miss Jane Leonard. At that meeting there were sixty-five girls present. For over thirty years the association has carried on its work; and it has grown in its achievements and progress each year.

The purpose of the Y. W. C. A. is to unite in the desire to realize a full and creative life through a growing knowledge of God.

The regular meetings are held each Wednesday evening. The programs are varied in order to appeal to the different types and interests of the students.

Throughout the year there is a wide variety of activities undertaken. One of these is the weekly Tea which is held in the "Y" room each Friday from 4:00 to 5:00. Its object is to bring about a fine social feeling among the girls of the school, since both members and non-members are invited. Other outstanding features of the "Y" work are the Pre-Easter services, the Big Sister Movement, the annual banquet, the work done during the first

week for Freshmen, the candlelight services for the induction of new members, the formation of the Commuters "Y", and the installation of the new cabinet.

The Y. W. C. A. at Indiana is undoubtedly the largest women's organization, the membership being over 500. More acquaintances are made through it than through any other organization.

Its aim is to serve others to the best of its ability and to furnish religious thought and a high standard of morality.

The work for the following year will be directed by the following cabinet members and their committees.

President Marjorie Sullivan
Vice-President Julia Malatyak
Secretary Catherine Jordan
Treasurer Ruth Graham
Program Chairman .. Helen Landis
Social Chairman Mildred Weber
Publicity Chairman, Lillian Mumma
Publications Chairman, Jane Hauser
Finance Chairman Betty Ferris

The above named officers constitute the cabinet, and these officers together with the general sponsor form the executive body of the organization.

Each member of the cabinet has a committee that aids her in her work and these committees are open to anyone who wishes to join them.

Y. M. C. A.

The student Y. M. C. A. in the six years of its existence on the campus has grown to occupy an outstanding position as one of the leading organizations of its kind in Western Pennsylvania.

At Indiana, it functions as a medium through which fellows may leave the worries and obligations of study and college life and gather for an hour of quiet meditation and intellectual discussion.

Another enjoyable feature is the fellowship and contacts made at the various conferences which are held for the Western Pennsylvania Y. M. C. A.'s. In April, 1930, Indiana entertained the Spring Officers' Training Conference at which there were in attendance over seventy-five delegates from sixteen colleges and universities.

Last year the Y. M. C. A. put on an intensive program, some features of which were a steak fry, talks and forums led by faculty leaders, the annual "Y" banquet, and the "Faculty Firesides," intimate acquaintances made at the homes of faculty members.

The Y. M. C. A. offers an excellent opportunity for service. It also gives training and experience to students who expect to teach.

The officers for the year 1934-1935 are:

President Edgar Hill
Vice President ... Edward Bracken
Secretary William Bashforth
Treasurer Luther Scott

THE NEWMAN CLUB

In 1927 the Catholic men and women of this college organized a Newman Club having as its ideals the following principles:

1. To bring into closer relationship the Catholic students of the College. This is done through regular monthly meetings, outings, and dinner dances.
2. To foster and encourage among its members higher scholastic achievements.
3. And especially, to encourage and support one another in their spiritual lives, to promote a wholesome spirit of friendship among all students, and to stimulate cooperation in social functions and other college activities.

Several interesting features of the club are the picnics in the spring and fall, the banquet before Thanksgiving, and the regular monthly meetings.

Officers for the year 1934-1935 are:
President William J. Reilly
Vice-President Edward Marian
Cor. Secretary Cecilia Kirk
Treasurer Paul Shumaker
Historian and Reporter

Lillian Kukovich
Advisor .. Miss Estelle M. Slavin

LEONARD LITERARY SOCIETY

The Leonard Literary Society is rich in tradition. It has a brilliant heritage. It is the oldest and largest student organization on the campus. The society is named for Miss Jane E. Leonard, who was for

THE TRAVELERS CLUB

The Travelers Club was organized in October, 1927, to meet the demand for a general travel organization to which any student from any department and any faculty member is eligible. Thus student and faculty are given opportunities to share a common interest.

The monthly meetings, held on the first Tuesday, are vitalized by pictures, exhibits, songs, games, dances, and accounts of personal experiences. There is also a special social affair each semester. The programs are conducted by members of the club as well as visiting travelers and geographers. During this year, Dr. J. Russell Smith, of Columbia University, an internationally known geographer, the Rev. James Brady and other world travelers from far and near, will appear as speakers.

Officers for the year 1934-35 are:
President Alex Savukas
Vice-President Donald King
Secretary Eleanor Weisel

**EDWIN ARLINGTON ROBINSON
POETRY CLUB**

The Edwin Arlington Robinson Poetry Club, organized in 1927 with special permission from the poet himself to use his name, aims to promote a broader appreciation and knowledge of poetry through its carefully planned monthly meetings. In the past year these informal programs ranged from a study of Oriental to the reading of works of such modern poets as Eliot, Pound, Jeffers, Dillon, and MacLeish. All meetings are definitely social and conversational in tone but use only poetry to that end.

Ability to write poetry has never been a qualification for membership, although the group encourages those few who write what is not mere rhyming, preaching, or glib triteness. Poetry Club trains people to appreciate the beautiful by presenting only the beautiful and by letting it speak for itself.

A library of eighty carefully chosen volumes is at the disposal of the members who are about forty in number and from every curriculum and class in the college.

Officers for the year 1934-35 are:
President Marian Buchan
Vice-President Christine Maher
Secretary Geraldine Monath
Treasurer Jean Metz
Program Secretary ... Bertha Rowé
Librarian Dorothy Claycomb
Hostess Sara McMonegal
Sponsor Ruth Knowles

OPEN FORUM

The Open Forum, an all campus activity, is sponsored by the Social Science Department.

It was organized in the fall of 1933 to meet the need for organized discussion and student participation in questions of national and international interest.

Much interest and student cooperation was manifested throughout the entire schedule of Forum's first year, thus placing it as one of the permanent activities on the campus.

Discussions are held bi-monthly and are led by student speakers. Officers are:

Director Maurice Trusal

Asst. Director Earl Kohler

Directing Council:—Laura Moser,
Chester Sheaffer, Earl Uber, Helen
Landis, Kenneth Greene, Florence
Iams.

Sponsor Miss Belden

THE LIFE SAVING CLUB

Realizing the increasing need for competent life guards, the Life Saving Club is a working organization. Instruction and review is provided for its members. The membership includes Red Cross Examiners and Senior Life Savers. Monthly meetings are held, after which practice and pleasure swimming is enjoyed in the college pool. Two outdoor swims make the program complete. Here the life savers are instructed in boating, buoy throwing, and water front protection.

Officers are:
President Paul E. Christy
Vice-President Lowell Uhler

DeMOLAY CLUB

The DeMolay Club, one of the most recently organized clubs on our campus, was instituted Tuesday, October 17, 1933.

It is composed of present and former members of the National Order of DeMolay, and is sponsored by the Masonic members of the faculty, under the chairmanship of Mr. Johnson. The organization is open to all DeMolays and Master Masons.

The purpose of the organization is to foster scholarship, fellowship, and the principles of DeMolay.

Musical Organizations

THE VESPER CHOIR

The Vesper Choir, a vested chorus of women's voices, furnishes the music for the services held in the auditorium every Sunday evening throughout the school year. While the membership consists chiefly of freshmen and sophomore girls of the music department, a limited number of women from other curricula are admitted each year upon tryouts with the director. Two of the special annual programs should be mentioned particularly. On the Sunday preceding the Christmas holiday is sung an impressive candle light

service composed of carols and anthems, while on Palm Sunday the contrasting moods of the Passion season and the Resurrection are portrayed in music that ranges from the medieval chants to that of our own day.

ORCHESTRA

The College Orchestra, which has been enlarged to symphonic proportions in recent years, is of particular value to those interested in fine ensemble work. Besides being a training organization for students of instruments, it serves as a practical medium for the study of various types of musical composition. Its extensive repertory includes representative works from the classic, romantic, and modern schools. The group makes several regular assembly appearances in addition to the annual concert. Like the other musical organizations, the orchestra, while composed mostly of students of the department, is open to anyone who is accepted by Mr. L. C. Stitt, director, and Miss Pearl Reed, associate director.

BAND

Under the direction of Mr. E. F. Sullivan, the band takes a very important part in the athletic, academic, and musical life of the school. Much of the enthusiasm and vigorous spirit developed at the football games can be directly attributed to

the lively influence of this group. Both in ability and size the band has grown to proportions that warrant its being considered a well organized concert group. Emphasis is placed on a high standard of concert material rather than on a march repertory of the type frequently featured by similar college units. Membership in the organization is not confined to students of the music department alone, as any student who can play an instrument well enough to pass the entrance is eligible.

MEN'S GLEE CLUB

Any student whose voice is approved by the director is eligible to the Glee Club, the only campus choral organization devoted exclusively to men. In the past three or four years it has advanced to the front rank among extra-curricular groups, due to loyal cooperation from men of all departments and also to the expert guidance of Miss Borge. Included in the yearly program are appearances at various assemblies and athletic functions, an independent concert, a short program for Leonard Literary Society, and a few off campus performances in local community entertainments. Anyone interested in group singing of a rather informal type is invited to join.

Officers for the year 1934-35:
President Louis Saverino
Sec.-Treas. John Shuster

A CAPELLA CHOIR

The membership of the A Capella Choir is made up of all students in the senior and junior classes of the music department, the men students of the sophomore music class, and those students from other curricula who have had choir experience, are able to attend all rehearsals, and are accepted by the director. This organization offers a fine opportunity for growth in musicianship through choral singing. It develops a sensitiveness to tone, pitch, rhythm, nuance, mood, and diction—all factors in themselves fundamental to growth as a choralist. Musical interpretations characteristic of particular periods of writers give the student, as a prospective teacher and director, a background for his own analytical thinking and interpretation.

Departmental Organizations

SECONDARY EDUCATION CLUB

The Secondary Education Club, formerly known as the Junior-Senior High School Club until the reorganization of the curriculum in 1932, consists of all students enrolled in the Secondary Education Department.

Mr. J. M. Uhler, the present adviser, has aided not only in keeping high standards, but also in reaching higher levels of attainment.

The Secondary Education Assemblies are held twice each semester. Through the cooperation of the students within the club, the program given by the Foreign Language Department under the direction of Mrs. Arntz, was broadcast through the Indiana Amateur Broadcasting Station. The meetings are particularly worthwhile because of the varied nature of the programs.

JUNIOR CHAMBER OF COMMERCE

The Junior Chamber of Commerce, organizezd in 1925, is a very active organization on our campus. Its members include all faculty and students of the Department of Commerce.

The purpose of this association is to promote interest in the organization of commercial clubs in high schools and to train teachers in the organizing of such clubs; to discover and serve the needs of the Department of Commerce of the State Teachers College, Indiana, Pennsylvania; to furnish a means of developing professionally; to encourage social contacts; to become conversant with modern progressive business methods and systems; and to furnish a means of gaining contact with the other schools and associations.

Meetings are held twice a month. They afford frequent opportunity for public discussion and debate on current, popular topics applicable to

the work. The aims are professional and social.

The social activities of the organization are numerous. They furnish means of becoming better acquainted with one another and contribute to the social development and recreation of those who participate.

THE MUSIC CLUB

Everyone who is enrolled in the music department automatically joins the Music Club, organized to give the students a voice in matters which concern them particularly. The members form a nucleus for most of the college musical units. Departmental assemblies, sponsored by this club and carried out jointly by students and faculty, are usually devoted to discussions of an educational character. The group is concerned with two annual social functions: a picnic, held early in the fall to acquaint the freshmen with the older members, and the Music Banquet, to which are invited all those from other departments who have participated in any of the music activities.

Officers for 1934-35 are:
President Robert Litzinger
Secretary Mildred Radaker

HOME ECONOMICS CLUB

The Home Economics Club is an organization composed of members of the Home Economics Department.

Entering students in this department desiring membership in the club should make application to the president of the club before the second club meeting of the year.

The main purposes of the club are: to unite the department in a close social relationship, to develop leadership, dependability, and responsibility, and to cooperate with other organizations on the campus for the promotion of educational progress and loyalty to our college.

The meetings, which are held the third Tuesday of every month after the opening of school in September, include teas, picnics, banquets, and a May Day breakfast.

The Club Song, written by prominent local musician, is being sung at all functions of the club.

Officers for the year 1934-35 are:
President Vera Kelly
Vice-President Dorothy Curran
Secretary Mary Mengas
Treasurer Carolyn Walburn

ART CLUB

This is one of the newer and smaller clubs, but its size, sixty-five members, has never deterred it from large undertakings. It was founded in 1925 for the purpose of stimulating and directing permanent interest in things artistic, besides giving art students and faculty members opportunity to fraternize.

It has one informal and one formal social function each semester,

and one business meeting each month. At the latter some of the best talent of town, faculty, and student body, has been heard in music, fine arts, literature, and general culture.

The programs during the past year have been largely in the hands of the respective classes of the art department. They have written and produced their own little one-act plays, they have caricatured and burlesqued celebrities both on and off the campus; they have given "take-offs" of world famous cafes and of masterpieces old and modern. Nothing grows stale in their hands. The club backed the department in securing from the College Art Association an "International Poster-Exhibit" and an exhibit of "Modern American Photography."

Officers for 1934-35 are:

President Frances Thompson
Vice-President .. William Harrison
Secretary Catherine O'Donnell
Treasurer Eugene Menni

THE INTERMEDIATE CLUB

The Intermediate Club is composed of all students, women and men, who are registered in the Intermediate Curriculum. The club is sponsored by Miss Jane Louise McGrath.

The purpose of this organization is to establish a bond of friendship among its members and to uphold the professional standards of the College.

The social meetings of the club are varied and interesting. The Freshmen are usually welcomed at a tea dance. Because of the good speakers and carefully planned student programs, features of these assemblies, the monthly meetings are particularly worthwhile.

THE PRIGRIND CLUB

Progress, Responsibility, Initiative, Generosity, Receptiveness, Interest, Neighborliness, Dependability—these objectives characterize the Prigrind Club, one of the oldest organizations on the campus. Its name, "Prigrind", is derived from the three words: Primary Group of Indiana.

It has two definite objectives—broadening professional outlook of its members, and making for a greater social progress. Widely varied programs are held throughout the year. Sometimes they are conducted by the members themselves, while at other times speakers from the outside are invited.

Since the aims of the club are social as well as educational, the program of the Prigrind Club includes many informal gatherings, a formal tea dance for the primary freshmen the second semester, and a farewell banquet to which all alumni are invited.

JOHNSTOWN STUDENT TEACHERS CLUB

The Johnstown Student Teachers' Club was organized by those Indiana Teachers College Students doing their student teaching in that city the first semester of 1933-34. Mrs. Wilda Lea Montgomery was the sponsor.

The purpose of the club is to bring together the members professionally in an endeavor to develop professional interest. A different group of majors has charge of each meeting, bringing to the students' consideration the majors' own field. Usually the group in charge invites its critic teachers to participate in the meetings. The club has proved very helpful in many ways in which the student teachers might develop and aid themselves to become better teachers.

THE MATHEMATICS CLUB

The Mathematics Club is an organization made up of mathematics majors and any other students interested in pursuing the subject as an activity. Meetings are held during the year for the discussion and presentation of papers on interesting and little known phases of mathematics. The teaching phase of mathematics is brought out at these meetings in the form of activities which mathematics teachers find useful in the class room. When possible the club invites men and women in the teaching profession to come in and give the mem-

bers facts that will aid them in their studies.

Such meetings are varied with social activities, a banquet, and a party. The club offers a pleasant and splendid opportunity for study and exchange of ideas outside the classroom.

FOREIGN LANGUAGE CLUB

In the fall of 1932, a foreign language club was organized for the threefold purpose of furthering:

- (1) Interest in the study of French and Latin.
- (2) Proficiency in conversation plus improvement of pronunciation.
- (3) A better understanding of foreign affairs and international questions.

Provision has been made for enjoyable social activities as evidenced by the delightful parties held in the "Y" room, the professional meetings, and the French play presented by members of the advanced class. Every student in the Foreign Language Department is eligible for membership.

President	Mary Carter
Vice-President	Eudora Meyers

SCI-HI CLUB

The Sci-Hi Club, an organization including all Science Majors, was originally established in 1925. The club has been reorganized from time to time to meet the problems introduced by the new curriculum set up for the State Teachers Colleges.

The club aims to give training in club work administration, to provide a program of activities for high school science clubs, and to create an interest in, and understanding of, current scientific problems and discoveries.

At the regular monthly meetings scientific problems are presented by club members or by guest speakers. The club activities are of such a nature that they form a working basis for a practical yearly program in a high school science club. Social programs constitute an important phase of the club activities.

GEOGRAPHY MAJORS CLUB

All geography majors become members of this Club, which was organized in 1933 to provide opportunities for participation in discussions dealing with geographic education, and to encourage personal contacts between students and faculty.

Mr. C. S. Maxwell, Superintendent of Westmoreland County Schools, and Dr. Lloyd French, Supervisor, New Kensington, are already sched-

uled to address the club this year. Its activities are both professional and social.

SOCIAL SCIENCE CLUB

The Social Science Club was organized in 1929 for the benefit of the Social Science majors. All majors in this field are eligible for membership. The purposes of the club are to provide a wider knowledge and appreciation of the field, and to encourage personal contact with the faculty. Besides the professional meetings there are also several social gatherings during the school year. Miss Belden and Mr Whitmyre sponsor the club. Its officers are:

President Kenneth Green
Vice-President John Becosky
Secretary-Treasurer Jean Metz

BIOLOGY CLUB

Men's Fraternities

INTER-FRATERNITY COUNCIL

The inter-fraternity council consists of representatives from each of the three social-professional fraternities: Phi Alpha Zeta, Phi Sigma Pi, and Sigma Tau Gamma. The dean of men is chairman of the group.

The council makes rules pertaining to inter-fraternity relationships and aims to promote a friendly spirit of co-operation among the fraternities.

The rushing season and rushing rules are fixed by the council. A freshman entering school in September is not eligible for pledging to a fraternity until April 1 of the second semester. One entering in January is not eligible until November 1. In order to be either pledged or initiated, or in order to retain active membership after initiation, one

must have at least a 'C' average in scholarship, and no failures. It is illegal for any fraternity to solicit members before the dates when the prospective members are eligible for pledging. It is also illegal for any fraternity man, in soliciting new members, to criticize adversely any other of the three fraternities.

PHI ALPHA ZETA

Organized in 1908 as Phi Alpha Fraternity. In 1927 Indiana's oldest established fraternity was incorporated as a national, educational, social, and athletic fraternity taking the name of Phi Alpha Zeta.

Installed as Alpha chapter in 1927 Phi Alpha Zeta now has its national headquarters located in Indiana. Three members of the local chapter have been elected to national offices. At the Convocation held here April 22-25, 1934, Russell Leech was elected Grand Higher Arc, Joseph Pallone, Grand Scriptor, Robert Gesey, Grand Treasurer, and Albert Harradine of Brockport Normal School was elected Sub Higher Arc.

Alpha chapter publishes annually its fraternity magazine, "The Alphian," which gives a detailed account of leading events of the year, the professional meetings, rush parties,

alumni reports and many more news items of especial interest to active members and alumni.

The activities sponsored by the fraternity are: pledge smoker, informal initiation, formal banquet, inter-fraternity dance, and a private Spring Dance. Each semester the fraternity holds three professional meetings. Some faculty member is usually engaged to address the group on subjects of particular interest to prospective teachers.

Phi Alpha Zeta is particularly fortunate in having more than its quota on the varsity athletic teams. Practically all of the members of last year's State championship basketball team were active in this organization.

The fraternity roster includes fourteen honorary members and a very active alumni association of more than four hundred men. The present membership is thirty-five active members and twelve pledges.

PHI SIGMA PI

Phi Sigma Pi is a national professional education fraternity for men in teacher training institutions who have completed one year of college work, are enrolled in one of the degree curricula, and have a scholarship rating. Eta Chapter was installed at Indiana, April 30, 1929, and took the place of Omega Chi fraternity, a local fraternity which had been active on the campus since 1909.

Phi Sigma Pi is the only fraternity on the campus which is a member of the National Professional Inter-Fraternity Council, which is made up of the foremost American Professional fraternities. It is also recognized in Baird's Manual, Banta's Greek Exchange, and Phi Delta Kappa Directory.

Phi Sigma Pi is founded on the basis of superior scholarship and with the avowed purpose of advancing educational ideals. It is social in that it meets the needs of close fellowship and social intercourse among men of like interests in education.

Members of Eta Chapter are to be found in any worthwhile college activity. We are exceptionally well represented in the varsity athletic teams of the school, together with such other activities as dramatics,

publications, honorary fraternities and professional clubs.

Membership in the fraternity this year exceeds forty men, most of whom live in the new fraternity house at 413 College Avenue, just off East Campus.

Each year the chapter holds at least six professional meetings. At each of these meetings the fraternity is addressed by a faculty member or a guest speaker on some educational subject.

The LAMPADION, the official organ of the National Council, is published three times a year. Eta Chapter publishes a chapter magazine, ETA NEWS, in which appear the professional and social activities of the chapter. It makes its appearance twice a year.

Each year the fraternity holds a Founder's Day banquet at which time a leading educator is admitted into the fraternity as an honorary member. Eta's honorary members have been: Dr. Keith, Dr. Graham, Dr. Rohrbach, Ex-Governor Fisher. The last three superintendents of Public Instruction in Pennsylvania have been members of Phi Sigma Pi. ATHLETICS

PHYSICAL EDUCATION

"Education for leisure and the enrichment of adult life is a fundamental problem affecting the welfare of the state and its perpetuity." Indiana State Teachers College believes this and provides equipment, facilities, and an instructional staff for carrying out a varied and comprehensive program of intramural and varsity athletics for men and women.

Last year the Women's Athletic Association was reorganized so that now a richer program of athletic activity is possible for every girl in college.

Wise provisions are made to give the student the kind of education through the physical that will enable him to meet the requirements insisted upon by superintendents of schools.

ATHLETIC DINNER

The Athletic Dinner of 1934 was the fifth to take place at this school. The purpose of this dinner, inaugurated in 1930, is to combine the several athletic banquets into one annual event, at which time the entire school might enjoy the spirit and enthusiasm so characteristic of Indiana teams.

Speakers of national reputation are always engaged.

At the dinner letters, certificates, and awards earned by the members of the varsity teams are given. The winners in the women's intramural

athletic program and the winners in the boys' intramural activities are given recognition.

We are convinced that this annual dinner has become another of Indiana's worthwhile traditions and contributes its full share in building desirable attitudes toward the wise use of our increased leisure time.

WOMEN'S ATHLETICS

In the fall of 1933 the Women's Athletic Association was reorganized. Under the present plan each girl in school automatically becomes a member of the girls athletic Activity program at no additional cost to her. She may enroll for her physical education credit in one of these activity groups, she may earn her points toward the awards of the Women's Program, or she may participate in the activity just for the joy and fun of it. It is the belief of the Women's Athletic Council that a great many girls will take advantage of the activities for the pure enjoyment of them.

Because all girls do not participate in all activities, monthly meetings are held for the purpose of bringing together socially all those who are engaging in athletics. These meetings, one of the most important features in the entire program, are preceded by half hours of social dancing and games and are followed by the presentation by various seasonal sports groups of entertainments, including tap dances, skits, short games, races, etc. Generally each meeting is concluded with an enjoyable half hour of swimming.

Quarterly parties are held in the form of a Children's Party, a Valentine Party, the annual Athletic Banquet, and a supper hike to the School Lodge, in order that awards won during the previous seasons might be presented. To obtain these awards numerous points gained by specified participation in each activity, are necessary.

The officers of the Women's Athletic Program for 1934-1935 are:
Manager Sara McMonegal
Ass't. Manager Dorothy Moore
Sec'y.-Treasurer ... Mildred Weber
Special Chairman Ruth Graham
Sponsors Members of the
Physical Education Department

INTRAMURAL SPORTS PROGRAM

Since all students at Indiana are preparing for the Teaching Profession it necessarily follows that the aims of Intramurals as set forth at such colleges and universities as the University of Michigan, Harvard, Princeton, Yale, and Penn State, which in effect are summed up in the phrase, "ATHLETICS FOR ALL," would not suffice. Briefly stated the aims of the Intramural Program for men at Indiana are:

1. To prepare boys to organize and promote intramural or inter-class sports in the Public Schools.
2. To teach boys, who are not particularly athletically inclined, the fundamentals and rules of sports which would fit into the intramural programs of the ele-

- mentary and secondary schools.
3. To teach and train students in athletic activities in which they could indulge in after school life as a profitable use of leisure.
4. Athletics for present enjoyment and improvement of health.

The organization of Intramurals at Indiana consists of a Board of Control and the Student Managers and Organizers besides the participants themselves. The Board of Control is composed of:

1. The Head of the Physical Education Department—Chairman.
2. The Varsity Coach.
3. The Freshman Coach.
4. The Supervisor of Intramural Sports.
5. The Assistant Supervisors of Intramural Sports.
6. The Intramural Sports Manager (a student appointee.)

Merit in Intramurals is recognized by a series of awards: (1) An Honor Award, (2) An Efficiency Award, (3) A General Participation Certificate, and (4) Certificates of Achievement for winners, participants, and managers in individual sports. These awards are based on a competitive point system.

The sports in which team competition is held are:

Basketball	Swimming
Mushball	Soccer
Speedball	Track
Volleyball	

The tournament sports are:

Tennis	Horseshoes
Handball	Badminton

Songs

Alma Mater

To our noble Alma Mater's name
We, her children, sing a joyful lay,
And to her a new allegiance pledge,
That lives beyond a day.

REFRAIN

Sing, O, sing! Our Alma Mater's
praise,
Hail, O, hail! her color's gleaming
hue!
Give to her our homage and her love
And to her Name be true.

A prayer for her who sheltered us,
A hope no child her name will stain,
A cheer thrice giv'n with hearty
voice,
And now the sweet refrain.

Of Loyalty are symbols twain,
Her colors, crimson and the gray,
"Dear Indiana Mother Fair,"
The burden of our lay.

Words and music by

Mrs. Hamlin E. Cogswell.

SPiRiT oF INDIANA

On! On! On! On to victory,
Everyone expects to see you win
today.

Fight to win! "Play the game
square!"

Always for your Alma Mater do
and dare!

Now then go! Give them not a show.
You have skill and daring, that we
know.

For not only will you score, but will
add a few points more,
Just to show them how we do at
Indiana.

Indiana, don't you hear our cheer?
That you'll honor us we have no
fear.

See your pennant floating oe'r the
field!

Unto foeman you will never yield.
You will hear us as we shout and
sing.

With your praises will the welkin
ring,

Other teams will know their fate,
When they meet the "Red and
Slate."

It's the way we always do at Indi-
ana.

Victory! Victory! Victory!

With your faces ever towards the
foe.

Victory! Victory! Victory!

Pressing forward down the field
you go!

Victory! Victory! Victory!

Every man is finding every play,
For 'tis written on your shield,

"Unto foeman never yield."

We will always do our best for Indiana.

The Beacon Light

In the ages long departed
Slowly grew the need for light;
Beacons now illumine each highroad
Showing ways of Truth and Right.
Years ago our Indiana
Raised her tower to the sky
Here a glowing beacon lifted
Kindling hearts to purpose high.

CHORUS

Then it's hail to Indiana!
From the East to boundless West.
Never burned a beacon brighter,
Never was a way more blest
For the far off goal of learning;
We who seek and catch her beam,
Send it forth to darkened byways
In an ever-widening stream.

Our forefathers found the trail here
Blazed where red men softly trod.
Patiently subdued the forest,
Plowed and sowed the virgin sod;
And at last from labors lessened
Looked they upward for the light
Flaming from the beacon tower
Where our College crowns the height.

Words—Margaret Hawkins.

Music—Carolyn Gessler.

Pennsylvania

Pennsylvania, my native state,
 To you we pledge our devotion.
 Pennsylvania, our loyalty is boundless
 as the ocean.

REFRAIN

Pennsylvania, Pennsylvania, strong
 and true,
 Pennsylvania, Pennsylvania, hear
 our song to you,
 There is beauty in your mountains,
 There is peace upon your hills,
 And where e're I roam.
 My only home is Pennsylvania.

Pennsylvania, we thrill with pride
 To be your loyal descendants,
 Pennsylvania, all hail to you,
 The foundation of Independence.

School Song

Come and join our song of triumph,
 Bring to Indiana's fame
 Laurels of each new endeavor
 That will glorify her name.

Forward then for Indiana!
 Make these hills and valleys ring.
 Lift her crimson and her silver gray
 Honor to your Alma Mater bring.
 Come, ye sons and daughters of her
 heart,
 Each to his own valiant part,
 Fight till you've won,
 Then, the strife of battle done,
 Sing, sing on for Indiana!

—Evelyn Jones.
